Project Graduation

It is that time of year to begin the planning of the project Graduation event for the 2017 Senior Class. This great event is an all-night event the night of Graduation for the seniors to have fun in a drug and alcohol free environment. We are needing volunteers to help with planning this event. Your child does not have to be a senior as your child will be graduating soon and you can come and help out so you can continue this great night going each year. The next meeting

is scheduled for Tuesday, February 21st at 6pm in the East Jessamine High School Library. We look forward to seeing many volunteers to help with the planning.
