# *A Request from the Class of 2015*

*The class of 2015 welcomes you to our commencement ceremony. We want this program to be conducted as a dignified and formal ceremony. This is a very important day in our lives and in the lives of our families.*

*During previous graduation ceremonies, parents of the graduating class have been unable to hear each name because audience members were yelling, clapping and using artificial noisemakers. We want each and every family member to be able to hear our name as it is called. We ask that you do not interrupt the ceremony. Please hold your cheers and applause until all diplomas have been awarded and all graduates have been recognized.*

*The school has provided professional photographers that will take individual pictures as each of us is being awarded our diploma. In order to maintain the dignity of this occasion, we ask that members of the audience do not come to the front during the ceremony to take snapshots.*

*The class of 2015 appreciates your cooperation in making this ceremony a memorable and dignified event for each of us.*
