

Support Staff Council Meeting Minutes

October 23, 2014

The *Support Council* met on October 23, 2014, at 9:00 a.m. in the Central Office small conference room. Council members present were: Robin Sontag, Michelle Hollingsworth, Peggy Patterson, Ed Eary, David Marsee, Gail Curry and Richard Harden.

Welcome:

Mr. Harden called the meeting to order and welcomed everyone.

Communications:

The communication section centered on the following:

- Cafeteria Menu Concerns: Concerns were raised again about the menu selections available for JELV students on early release days. Ms. Barden is planning to attend the Support Staff meeting on November 20 to discuss the complexities of planning lunch menus in accordance with federal and state guidelines.
- Parking for WJMS & RDES Cafeteria Workers: Concern was expressed about the limited number of spaces available for parking. This issue is under review.
- Parking Lot Dark at JELV: Upon review, Mr. Harden discovered that several of the parking lot lights on the East side of the building were not working. Some of those lights have since been repaired and hopefully the rest will be in working order soon.
- Ladder on the boundary fence at WJMS: It was reported that a few students are crossing into the WJMS property from an adjacent subdivision by means of a ladder (over the school system's fence). Mr. Smith has investigated and reports that the ladder is actually propped against a tree next to the school fence. This issue is under review about what actions may be pursued.
